Dear Mr. Paul Ware

Thank you very much for an informative presentation on your WIN 2000 System on Friday May 14<sup>th</sup>, 2004 at The Ihilani Resort Hotel. We thoroughly enjoyed learning about the diagnostic assessments, Visagraph, and the variety of educational software programs to meet the individual needs of our diverse learners.

Thank you also for your wonderful hospitality! The food was delicious and the company fabulous. The folder on The WIN 2000 System will be a valuable resource for schools interested in your program. Thank you very much.

Sincerely,

Pat Miyahira
